

**Proposal #P2016-02
Used Dump Truck**

The City of Salem is seeking proposals for a new 2WD 1 ton dump truck. The unit shall be cab & chassis with platform dump body. Dealers may submit proposals for 1 or more vehicles, as they may feel warrant consideration under these guidelines. The dealer is to submit a detailed listing of equipment and vehicle description to allow for consideration by the Salem City Council. Proposals with complete specifications can be picked up at Salem City Hall.

Guidelines for the truck unit: New 2WD regular cab, dual rear wheels (1 ton series) with platform dump body. As a minimum included: Gasoline engine, automatic transmission, ± 11,500 GVWR, white exterior, trailer tow package w/receiver hitch.

Please return proposals to the Salem City Clerk by Monday, by February 29, 2016 at 4:00P.

The City of Salem reserves the right to purchase via proposal based upon merits of value, and not cost basis alone, as decided by City Council. Plans are for the purchase decision to be made at the March 07, 2016 City Council meeting and a purchase order issued shortly thereafter. If you have any questions regarding this, please contact Salem City Hall.

John W. Pruden
Public Works Director
