## City Council Action

### 1. Consent Agenda:

- a. **Approval of Minutes, June 6, 2011**
- b. **Bid Award – Purchase of Used Side Boom Mower:** Bids were solicited for a used side boom mower for the Street Department. Although the request was published in the local newspaper and sent to 14 dealers, only one dealer responded. Public Works Director John Pruden is recommending the purchase of a 2010 unit w/600 hrs. from Woody's Municipal Supply, Edwardsville, IL, for \$61,000 with trade, and extending financing beyond the original budgeted amount. *(Mr. Pruden's recommendation letter is attached.)*
- c. **Bid Award – Sale of Equipment – CAT 953 Track Loader:** Bids were solicited for the sale of a CAT 953B track loader from the landfill department. Public Works Director is recommending acceptance of the highest bid received from Blankenship Construction, Mulberry Grove, IL, for \$8,750.50. *(Mr. Pruden's recommendation letter is attached.)*
- d. **Purchase of Used Sewer Easement Machine – Waive of Bid:** Public Works Director John Pruden is recommending the purchase of a 2009 Sewer Easement Machine with 150 hours for \$34,532 from Coe Equipment, Rochester, Illinois, and requests that City Council waive the formal bidding process due to this being specialized equipment and a responsible quote received from a reputable dealer. *(Mr. Pruden's recommendation letter is attached.)*
- e. **Bills Payable**

*The City Manager recommends approval of the Consent Agenda. This may be accomplished by motion and vote.*

2. **Presentation by Fred Walker, South Central Illinois Regional Planning & Development Commission – CDAP Residential Housing Rehabilitation Assistance:** Mr. Walker will be outlining a CDAP residential rehab grant opportunity.
