MANAGER'S COMMENTS

V. City Council Action

2. **Second Reading for Ordinance Revising Cannabis Fines:** Please see draft ordinance prepared by Mike Jones. Some interest was expressed in an administrative fee being charged along with fines to cover costs for field testing. A \$25 fee would cover the cost of a single test (plus a little), which we purchase by the box. This item may be ready for some final action from the City Council.

3. **Approval of Preliminary and Final Plat for Coventry Crossing:** The Council may be able to take some final action on the preliminary and final plats for Coventry Crossing, a residential subdivision west of Vermillion Village and south of the Industrial Park. The Planning Commission is scheduled to take some action on the plats on the evening of September 29. Owners are Becky Carpenter and Tracy Timmerman. One note on this subdivision is that the owners seek to retain ownership of the street(s) within the subdivision.
